Main personal assignments

- *General Counsel* of leading private business groups in procedures for the recovery of business crises (certification plans *ex art.* 67 Bankruptcy Law, bankruptcy agreements *ex art.* 124 B.L., preventive agreements *ex art.* 160 B.L., debt restructuring agreements *ex art.* 182-*bis* e 182-*septies* B.L., with related tax transactions *ex art.* 182-*ter* B.L.), as well as in corporate reorganization processes (through business transfers, merger and demerger, contracts for the transfer of business and of the lease of business units);
- *General Counsel* of the Commissioner as well as member of the Supervisory Body in extraordinary administration procedures, also pursuant to the so-called “Legge Marzano” (Legislative Decree n. 347/2003), with regard to companies operating in the sector of essential public services (in particular, in the health sector and the I.R.C.C.S.).
- *Bankruptcy administrator, judicial commissioner and judicial liquidator* in bankruptcy proceedings (*e.g.* in the public transport sector or for the disposal of large real estate assets, *inter alia*, in the high-end hotel sector).
- *Board member and voluntary liquidator*, instrumental to the preparation and implementation of procedures for the recovery of corporate crises, including banking ones.
- *General Counsel* of private business groups, operating in the real estate development and redevelopment sector, with specific reference to the sector contracts (depending on the negotiating "instrument" used: purchase and sale of property, of shareholdings, of company) and related *due diligence* activity (not only real estate, but also company and corporate activity).
- *General Counsel* of leading international groups, also quoted, in the fashion sector, with direct assistance in the issues of domestic law, having specific regard to the area of contracts of distribution (sales, distribution, agency, procurement of business contracts, etc.) and of the profiles related to industrial property (trademark and patent licensing contracts, counterfeiting actions, etc.), as well as acting as coordinator of the activity of assistance and legal advice rendered in multiple foreign jurisdictions.
- Arbitrator in contract and corporate law disputes.
- *Assistance to credit institutions* in litigation, as well as in the context of

restructuring plans (bank loans); General advice to quoted credit institutions; Assistance with regard to the governance structure and remuneration of corporate bodies; Assistance in drawing up recovery and resolution plans; Assistance in transactions with related parties.

- *Judicial and extra-judicial assistance in bankruptcy proceedings* (avoidance actions, compensation actions, complaints against declaratory decisions of bankruptcy, etc.).
